AGD Equipment Limited

AGD SERVING THE WORLD

Here at AGD we never stand still. Constantly one step ahead we are always the first to

take full advantage of technological advances.

We proudly boast a well established centrally located family business with

some 25 years experience where customer care and satisfaction is our number one priority.

Our company philosophy gives all our team players a direction. We aim to provide complete customer

satisfaction, efficiency in our response time

and enjoy the challenge of problem solving.

Strategically positioned office, workshop and storage facilities.
